September Eclectic (Mixed)

The September Eclectic will be played over 4 Wednesdays in September and is a 9-hole competition.

This competition will be played based on nett scores over four rounds.

The 9-hole gross score is submitted by each player during their first round. During the following rounds that they play in, each player attempts to lower their score on each individual hole.

For example, a player may take 4 shots on every hole during the first round resulting in a total score of 36. During the second round, the player may have seven 5's and two 3's. The two 3's would therefore replace the 4's scored on these respective holes from the first round, giving the player a total score of 34.

In the event of a tie, the better last 6 holes and then the last 3 holes will apply
